

April TWA Newsletter

Hi TWA Members, all Xerox employees and Partners,

I wanted to reach out and share our support for all of you at this time. With the changes in the current environment, we'd love to hear from you to see what you're up to and how you're staying busy and inspired. **Send an email to TheWomensAlliance@xerox.com** if you'd like to share your activities with us and other members (book recommendations, recipes, outdoor adventures, photos, etc.)!

I am currently reading *[Girl, Woman, Other](#)*, a book which follows the lives and struggles of twelve very different characters. Mostly women, black and British, they tell the stories of their families, friends and lovers, across the country and through the years.

In this newsletter, you'll find information about some upcoming initiatives, along with recaps of TWA events that took place recently. If you have any questions or ideas, please feel free to reach out. If you aren't a member, I invite you to please check us out on our site <http://www.thewomensalliance.net>, attend the webinar (see below), or reach out to me or anyone on our Board with questions.

Thinking of you all!

Kelli Morgan
