

# August TWA Newsletter

Hi TWA Members,

Amazing that August is here already. I always loved this time of year; shopping for school supplies, clothes, and getting organized before heading back to school. I know it is different this year for those going back to school given all of the decisions and change due to COVID, but we will all get through it together by supporting each other. This is still a time for all of us to get organized and prepare for the change in seasons. I have been working on cleaning up my home office and my work PC. I used this link for [Mailbox Cleanup best practices](#) from Xerox IT Support for some good ideas for cleanup. If you have any clean up ideas, feel free to send them to our [TWA Mailbox](#). You can also stay engaged and share your ideas via our TWA Social media sites. Links are at the bottom of this newsletter.

Thank you to those who submitted ideas for the survey on how we can support you through these times. We are working on how we can implement some of the ideas submitted. The survey is still open –so feel free to submit more ideas [here](#). Stay tuned!

Take care,

Kelli Morgan

TWA President

## Upcoming TWA Webinar: “Xerox Technology Updates” with the Product Lifecycle Team

Join us as Cherie K. Tucker, Drew Avery, Jackie Stewart, Moisha Clark, and Kelly Leahy share the value proposition of the latest products and technologies Xerox sells in the Apps, IWS, Beyond CMYK and Inkjet space.
