

# September TWA Newsletter

Hi TWA Members,

September is always a favorite month of mine. Being from the Midwest, I love the change of season with some cooler temps and fall colors, but I especially loved going back to school. Not just for the new clothes, but I truly love learning. I love to read, to continue to learn, and lately I am reading a couple books at a time. For fun, I am reading the Outlander Series which takes me back in time but I am also amazed how so much is the same with struggles that we have today. For self-improvement, I am reading "[Mindset. The New Psychology of Success by Carol S. Dweck, Ph.D.](#) It's a very interesting book that I would recommend to all of you. I would love to hear what you are reading. Just reply to the email which will go into our TWA inbox. Did you know that September 8<sup>th</sup> was the International Day of Literacy? You can find out more about it and how you can help to improve literacy at this [link](#).
